

## Leadworship Workshops

### Saturday Morning

Time	General Session 1	Length	Presenter	Room
9:00am	Opening Worshp	90min	Paul Baloche, Brian Doerksen and band	Worship Centre
	This session will be very fluid.... Paul & Brian will begin with a time of worship that may last 30 to 60 minutes or longer. They may also touch on some principals of worship leading relevant to the entire team or ask others on the team to share.			
Time	Workshops	Length	Presenter	Room
10:45am	Worship Journey	75min	Paul Baloche & Brain Doerksen	Worship Centre
	During this session Paul and Brian will address the core values that should be the heart attitude of every worship team. Cultivating personal ministry to The Lord. Exploring worship as conversation, community, and creativity. Spiritual and practical disciplines that will help you experience God's presence as you seek to 'help others worship'			
10:45am	Vocals	75min	TBA	TBA
	"Sing for joy to The Lord!" This class covers essential concepts like proper warm-ups, creative exercises, expanding your ranage, improving your tone, bending with other voices, and much more.			
10:45am	Drums & Percussion	75min	Carl Albrecht	TBA
	In this class Carl will cover the fundamentals of drumming like set-up, tuning, grove, fills, loops, flowing with various leaders, ministry, and more.			
10:45am	Keyboards in Worship	75min	Philip Janz	TBA
	This class focuses on the essential sounds in a keyboard player's palette: Piano, pads, organ and strings. He'll demonstrate the unique playing style necessary for each and play numerous examples from modern worship recordings as examples.			
10:45am	Electric Guitar	75min	Brian Thiessen	TBA
	This class covers a variety of fret board techniques - chord shapes, scales, and exercises. The role of electric guitar in a modern worship band, melodic development and the lost art of the solo.			
10:45am	Bass Guitar	75min	Michael Rossback	TBA
	Michael will begin by explaining the use of gear, pedals, tone, and picking. Scales, basic music theory, and how the bass can best support the band in live situations and recording studios.			
10:45am	Audio and Sound Tech	75min	John Willis	TBA
	John Willis has mixed sound for the smallest of churches and for arena and stadium venues around the world. He is the owner of the largest audio and production company in Northern Ireland. Plenty of time for Q&A where John can answer all of your specific audio questions			
12:00pm	Lunch Break	75min		
	<i>Please keep an eye on the time as we will commence afternoon workshops at 1:15 PM</i>			

## Saturday Afternoon

Time	Workshops	Length	Presenter	Room
1:15pm	Worship Songwriting	75min	Paul Baloche & Brian Doerksen	Worship Centre
	The journey of a song is mysterious. Paul and Brian will take you through the stages of writing worship songs that glorify God and impact the worshiper. How to take your inspired ideas through the essential steps of proven songwriting craft, making sure that all the elements of your song work together to enhance to the feeling of the message.			
1:15pm	Vocals	75min	TBA	TBA
	This will be an exact repeat of the morning vocal workshop			
1:15pm	Drums & Percussion	75min	Carl Albrecht	TBA
	A more in-depth drummer's workshop for the more experienced drummer			
1:15pm	Keyboards in Worship	75min	Philip Janz	TBA
	Understanding chord theory helps create effective keyboard parts. Reading chord charts, arranging concepts, and plenty of Q&A. Bring your questions!			
1:15pm	Electric Guitar	75min	Brian Thiessen	TBA
	Half the battle of becoming a seasoned electric guitarist is knowing how to get a wide variety of interesting tones and creating them in a way that doesn't overwhelm the band or the room you're playing in. We'll look at the right parts that serve the song and the artist. Q&A			
1:15pm	Bass Guitar	75min	Michael Rossback	TBA
	Setting up your bass. Michael will demonstrate how to set up your bass - a crucial part of getting the right tone and performance out of your instrument.			
1:15pm	Audio and Sound Tech	75min	John Willis	TBA
	Bring your audio questions and dive deeper into solving all your church audio issues			
Time	General Session 1	Length	Presenter	Room
2:45pm	Worship band workshop	75min	Paul Baloche, Brian Doerksen and band	Worship Centre
	This session will tie together everything that has been taught on individual instruments during the break out sessions. Paul, Brian and the band will now play together and demonstrate important concepts like "mapping out a song", thinking like an arranger, band dynamics, and creating an atmosphere of worship. Q&A to close out the day.			
4:00pm	<b>Leadworship Workshop Ends</b>
